WCWDCA Sportsmanship Award

Steve Hill

Steve is a great club member and friend to all. Steve goes above and beyond expectations during club field events. He is always willing to help—whether it is set-up or take-down, offering advice or suggestions for novice members, he sets the example of service and dedication that we would wish for in all members.

WCWDCA Service Award

Anne Powell

Anne was the club's secretary and the awards chairperson for over fifteen years! She is also the club's Agility Trial Chairperson managing two agility trials a year, one in May and August. Our agility trials always run smoothly due to Anne's hard work in keeping everything on track and provides exceptional revenue to our club. Anne is quick to volunteer and is always helping at our club events including field trials, training days and shows. She offers guidance to new members and prospective members.

WCWDCA Service Award

Tyler Joscelyn

Tyler has served on the Board for many years including President. She has served as the Show chair and committee person for over 10 years. This year she was chair for the WCA Nationals and led a team to a successful event. In particular, Tyler made all the trophies for the WCA Regionals component of Nationals. The trophies were handmade and gorgeous! Tyler also helps with the set up of our zoom meetings, creation of newsletters, pamphlets and other communications. She attends and supports field events as well.
